REQUEST FOR PROPOSALS

August 2018

OPPORTUNITY

The Downtown Public Art and Mural Committee, comprised of representatives from the Brandon Downtown Development Corporation (BDDC), Brandon Neighbourhood Renewal Corporation (BNRC), Art Gallery of Southwestern Manitoba (AGSM) and downtown property owners, is seeking an artist or artist team to create a mural in downtown Brandon. All information about the opportunity is contained herein.

Artist Fee: \$5,000
Eligibility: Artists residing in Manitoba
Deadline: September 14, 2018 (5:00 p.m.)
Completion: Fall 2018

The purpose of this request for proposals is to select an artist or group of artists to transform a pre-selected wall in downtown Brandon through the creation of an original mural. The goal of the Downtown Public Art and Mural Program is to bring about a new sense of energy to our downtown.

We believe that a focus on this type of public art will generate significant interest in downtown and will draw local residents and tourists alike to this important part of our city. This will have positive social and economic spinoffs for our entire community, but particularly for our inner-city community. To that end, murals not only have an ability to create a sense of energy but they also have an ability to increase the perception of safety in an otherwise dark and dilapidated alley or on a blank concrete wall.

LOCATION

1126 Rosser Avenue

ARTIST ELIGIBILITY

This project is open to professional artists residing in Manitoba.

VISION

By creating colourful and modern murals on blank surfaces, we will announce to our community that downtown is undergoing an exciting transformation and is becoming an increasingly vibrant neighbourhood in our city. The selected mural will proclaim that downtown is open for business, open for living, and open for entertaining. Although the successful proposal will be an original work, in order to assist artists in understanding our vision, we have provided some examples of desired murals below.
